Jeff,

Thank you for your submittal. Please also submit a copy of the certification letter we issued for the TN40. As you know, the TN40 is listed by the ADEC as shown below:

Pacific Energy Fireplace Products Limited dba True North	TN40	ASTM 2779	Disapproved	Disapproved List	M1, IR, NR
--	------	--------------	-------------	---------------------	------------------

Therefore, before we process your renewal request, we will need to review the original test report, and any irregularities found must be addressed by the manufacturer. If you have any questions, please let me know.
